SPEAKING TOPICS

The Knowing is Your Superpower!

Ever had a hunch you followed that, despite all evidence to the contrary, turned out to be right? Let me guide your audience to tap into and trust the superpower we are all capable of: our intuition.

Leverage Your Attraction Energy for Success

Learn the importance of mastering and managing your energy. Your attraction energy is one of your most untapped assets - discover how consciously using it can smooth your path by arranging the right people, things and circumstances far more effectively than hard work alone.

Turn Your Traumas into Triumph

What would be possible if we saw our past through the eyes of spirit and uncovered the Divine gifts of healing and transformation hidden inside of them? Let's change the common belief that past defines destiny - you were made for so much more!
